| 3.e. Other comments about Evidence Tier | | |
| Overall points for Evidence Tier section (1-12) | | |

Same intervention described in the application: The intervention evaluated in submitted evaluation reports must match the intervention proposed in the application in the following areas, all of which must be clearly described in the Program Design and Logic Model sections of the application:

- Characteristics of the beneficiary population, including evidence of current or historic inequities facing the population
- Characteristics of the population delivering the intervention
- Dosage (frequency, duration) and design of the intervention, including all key components and activities
- The context in which the intervention is delivered
- Outcomes of the intervention

4. Evidence Quality

Now that the applicant's evidence tier has been assessed, complete one of the two sections below, depending on which evidence tier you determined the applicant to fit.

In this section, the quality of the applicant's evidence and the degree to which it supports the proposed program design will be assessed and scored. If the applicant submitted one or more evaluation reports, they will appear as a separate document.

- If the applicant submitted one or more evaluation reports, use criteria 4.a. through 4.d.
- If the applicant did not submit any evaluation reports, use criteria 4.e. through 4.g.

| <i>Criteria</i> | <i>Satisfactory</i> | <i>Strengths and areas for improvement</i> |
|--|---|--|
| 4.a. The submitted reports are of satisfactory methodological quality and rigor for the type of evaluation conducted (e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.). | YES <input type="checkbox"/> NO <input type="checkbox"/> N/A <input type="checkbox"/> | |
| 4.b. The submitted reports describe evaluations that were conducted relatively recently, preferably within the last six years. | YES <input type="checkbox"/> NO <input type="checkbox"/> N/A <input type="checkbox"/> | |
| 4.c. The submitted reports show a meaningful and significant positive effect on program beneficiaries in at least one key outcome of interest. | YES <input type="checkbox"/> NO <input type="checkbox"/> N/A <input type="checkbox"/> | |
| 4.d. Other comments about Evidence Quality | | |
| Overall points for Evidence Quality section (1-8) | | |

If the applicant did not submit any evaluation reports, use criteria 4.e. through 4.g.

| <i>Criteria</i> | <i>Satisfactory</i> | <i>Strengths and areas for improvement</i> |
|---|---|--|
| 4.e. The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design | YES <input type="checkbox"/> NO <input type="checkbox"/> | |
| 4.f. The described evidence is relatively recent, preferably from the last six years | YES <input type="checkbox"/> NO <input type="checkbox"/> | |

| | | |
|---|---|--|
| 4.g. The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries in at least one key outcome of interest. | YES <input type="checkbox"/> NO <input type="checkbox"/> | |
| 4.h. Other comments about Evidence Quality | | |
| Overall points for Evidence Quality section (1-8) | | |

| | | |
|--------------------------|---|--|
| <input type="checkbox"/> | Exceptional Proposal – Recommend for Funding | A comprehensive and thorough program design of exceptional merit with very significant strengths and no significant weaknesses. Total score should be between 91-100 points. |
| <input type="checkbox"/> | Satisfactory Proposal – Recommended for Funding | Program design demonstrates overall competence and is worthy of support where the value of the strengths outweighs the identified weaknesses. Total score should be between 80-90 points. |
| <input type="checkbox"/> | Weak/Non-responsive Proposal – Do Not Recommend for Funding | A program design with very significant weaknesses and minimal significant strengths that have been identified. This option may also include a program design that is non-responsive to the published criteria. Proposal total score should be below 80 points. |
